HERRYS – FOR SALE: STYLISH 2BEDROOM APARTMENT IN THE EXCLUSIVE METROPOLIS PROJECT WITH A CASTLE VIEW

HERRYS real estate agency exclusively offers for sale an elegant 1-bedroom apartment in the Metropolis project — one of the most architecturally striking and technologically advanced residential developments in the heart of Bratislava.

The apartment is situated on the 4th floor and offers a smart and efficient layout with a total area of 54.36 m² (51.65 m² interior + 2.71 m² balcony). From the private balcony, you can enjoy views of Bratislava Castle as well as the city's modern downtown skyline — a rare and valuable feature for those seeking both uniqueness and strong investment potential.

STYLE, COMFORT & TECHNOLOGY IN ONE PLACE

The apartment was designed with an emphasis on functionality, visual purity, and high-quality materials. The interior features individually selected wooden flooring finishes, modern bathroom tiling, premium interior doors, and clean architectural lines.

Comfort is ensured by ceiling cooling and heating, autonomous air recovery (ventilation), and exterior aluminum blinds — distinguishing Metropolis from all other projects in this central location.

The furnishings are for illustrative purposes only; the apartment is sold unfurnished.

DISPOSITION

The apartment consists of an entrance hall with space for a built-in wardrobe, a bathroom with a bathtub, and a separate toilet. The living area includes a living room with direct access to the balcony, connected to a kitchenette. The quiet bedroom offers enough space to create a wardrobe.

LOCALITY

The Metropolis project is located in the very heart of Bratislava's downtown – right at the center of the city's vibrant life, yet within walking distance of the Danube riverfront, cultural events, restaurants, shops, and public transport. This location is highly sought-after not only for its central position but also for its exceptional architecture, safety, and excellent urban amenities.
