LOCALITY

The K Železná studienke residence is located in a quiet area at the entrance to the forest park, which offers rich opportunities for relaxation, sports and walks in nature. This location is among the most sought-after in Bratislava thanks to the exceptional combination of natural surroundings, excellent accessibility and developed civic amenities in the vicinity of Patrónka, Mlynská dolina and the Old Town.

There is a **public transport** stop right next to the project with connections to the center and other city districts. In the wider area there are several preschools (**Škôlkáreň, Dúhová škôlka Westend Gate, Škôlka pri lese**) and school facilities, popular sports grounds, restaurants and shopping centers (e.g. **Kaufland Patrónka, Cubicon, OC Bory, Tesco Galeria**).

A key benefit for future residents is also **the planned plan of the Bratislava Self-Governing Region in Patrónka**, where a new **center of education, innovation and community services for families with children** is to be built in the area of the former boarding school. The project will expand the range of schools, leisure activities, and publicly accessible spaces in this part of the city.
