HERRYS - FULLY RENOVATED SINGLE-FAMILY HOME FOR SALE, VAJNORY

The HERRYS real estate agency is offering the first of six single-family homes currently under construction in the Ľudové domy Vajnory project.

The new project consists of six separate units, including two 3-bedroom single-family homes and two semi-detached homes with four 4-bedroom residential units. Each house comes with 2 parking spaces and a share of the land (both common and partially private).

The single-family home is located on Roľnícka Street, with completion scheduled for July 2026.

The current square footage figures are approximate, as the entire project is still under construction.

The family home on offer is a 3-room unit with a floor area of approximately 86 m² plus a vaulted basement of approximately 60 m². The home has two stories; the ground floor features an entryway, a kitchen, a separate bedroom with a shower, and a living room. The second floor consists of a single room with its own bathroom and toilet. The house has a basement; the vaulted cellar comprises two rooms and is ideal as a modern wine cellar.

The entire house has undergone a complete renovation, carried out in accordance with the preservation of its cultural heritage. It is being sold in its current condition. The house comes with 2 outdoor parking spaces. The expected occupancy permit is July 2026.
